Vendor Invitation

The National Native American EMS Association 18th Annual Education Conference 2009

**Cherokee Casino in Catoosa, Oklahoma
November 11-13, 2009**

The National Native American EMS Association is committed to enhancing the quality of patient care delivered to Native Americans through providing continuing education that builds leadership skills, enhances practitioner self-esteem, and incorporates cognitive and psychomotor skills preparation.

The NNAEMSA Annual Conference Vendor Committee invites providers of EMS and fire equipment, emergency vehicles, supplies, emergency pharmaceuticals and educational products or services to participate as vendors and sponsors at the 14th Annual EMS Educational Conference in Las Vegas. Attendees of the conference are emergency medical service professionals who function in and near Native American communities. Field care providers of all skill levels, as well as administrators and educators, will be representing over 1000 Native American EMS providers from across the country.

If you are interested in being a vendor and/or sponsor at our 2009 conference, please complete and submit a vendor agreement to the Vendor Committee. Vendors and sponsors who commit to participation prior to August 20, 2009 will be included in registration materials that will be mailed to every member of the NNAEMSA, will be cited on the NNAEMSA website, and will be included in all conference materials. Vendors and sponsors who commit to participation after August 20 and prior to October 1 will appear in materials disseminated at the conference.

Submit completed vendor agreements to:
